

Urban / Barstool Design / Samuel Wilkinson

Urban, made in aluminium, interprets the contemporary style of urban outdoor settings by creating areas for lively and enjoyable social events, with the aid of its classic lines and the natural lightness of the aluminium. Resistant, practical and light, Urban is the ideal solution for outdoor furniture that is simple, lively and of immediate impact.

Description

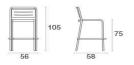

Code: **211**

Typology: Barstools Collection: Urban

Stackable: 4

Static Load: 200 Kg Seat Height: 75 cm

Technical Info

Width: 56 cm Depth: 58 cm Height: 105 cm Weight: 5.30 Kg Static Load: 200 Kg

Packaging

Packages: 1

Pieces for pack: 2

Dimensions: 116x69x58 cm

Volume: **0.464 mc**

Polyethylene bag and cardboard

box

Materials

Aluminium

Aluminium alloys, particularly suitable for cold-working and for die-casting, appropriately treated to withstand the elements and powder coated.

Maintenance: To keep the product in good condition for a long time, we recommend cleaning it regularly; more often in very damp locations with a marine climate. It is recommended to clean the surfaces using a soft cloth with water or mild detergents. Prolonged and continuous exposure to intense UV radiation or very low temperatures can affect the initial characteristics of the coloured coating, which is made from polyester. We recommend cleaning and storing the products in sheltered places during prolonged periods of non-use and during the winter.
